

Midwest Region 2006 Standards and Ratings and Instruction Clinic

Featuring Cathy Fredrickson, USPC National Examiner

Hosted by CanterBrooke Equestrian Center, Ames, Iowa

Ratings & Standards Clinic: Friday-Saturday, September 29-30, 2006

Instruction Clinic/Prep: Sunday, October 1, 2006

Cathy is an experienced National examiner and graduate ‘A’ from Virginia. She has been through the British Horse Society Instructor program while living in England in the 70’s. She is and has been a member of the USPC Instruction Council and USPC Board of Governors. She has been actively involved in the National Examiner Testing Committee in the past. She has been very involved in the development of the specialty ratings that will be introduced in 2007. She is also involved with the USEA ICP program. Cathy’s background is in eventing and dressage and she is currently an active instructor and competitor.

This year’s Standards and Ratings clinic is more important than ever due to the major changes in the Pony Club testing structure that will be occurring in 2007 (specialty ratings and the introduction of the HB). The Midwest Region is going to require at least ONE member from every club in the region to attend this clinic.
